2. PUBLIC FORUM

2.1 Farmers Market

Held a conversation on hosting a farmers' market in Hoyt Lakes. For this year there will be one held at Fisherman's Point on August 9th, and we will continue to work towards having another yet this year.

2.2 City Projects and use of grants and funds.

Mayor Scott provided an update on the projects the city is planning and grant activity. The city has been awarded a \$60,000.00 grant to make added improvements to the arena. Plans are underway to convert a room into a fitness room including a golf simulator which will be open to the public.

Residents' concerns raised:

1. There are concerns with kids under the age of 16 driving golf carts around town with multiple other kids on them and the appearance of lack of enforcement. This will be brought to the ERPD.
2. The damaged swing at the beach has not been repaired. Rec director will be reminded to have it replaced. He did not see an immediate concern but will change it out.
3. Playground equipment still needs to be painted. The city plans to get as much painting completed while we still have summer hires.
4. The condition of the bike path to the point is bad and when is it going to be repaired? City staff will follow up on the bike trail patching.

3. ADJOURNMENT

The motion to adjourn was made by Jarvela; Supported by Eckman. All in favor; Meeting adjourned at 5:28 pm.

Brennan Scott, Mayor
