

WATER SERVICE INTERRUPTION

The City will be conducting a water main valve repair at the intersection of Coventry and Andover tomorrow 10/08/2026. This will affect the following areas:

Coventry Rd. from Kennedy Memorial Drive to Arlington rd.

Andover Rd from Hampshire to Coventry Rd.

Service will be shut off around 8 am and will be off until the repair is completed. Thank you for your patients and understanding. We are sorry for any inconvenience this repair may cause.
